# S.T.E.A.M. SCALE EVENT CLASSIFICATION

The Farm Collector Show Directory is going to utilize the S.T.E.A.M. scale again this year to classify your event based on the criteria listed below. This 5-digit scale will again be included next to your event in the directory, as a guide for attendees.

Please classify your event based on the new **S.T.E.A.M.** scale:

**S** – How many full-size **Steam engines** will be running at your event? *(circle one)*

0 (None) 1 (1-5) 2 (5-10) 3 (10-20) 4 (More than 20)

**T** – How many Antique **Tractors** and Stationary Internal Combustion Engines will be at your event? *(circle one)*

0 (None) 1 (1-25) 2 (25-100) 3 (100-300) 4 (more than 300)

**E** – Will there be any **Entertainment** at your event? Please circle the number of performances, bands, dancing groups, comedians, etc. *(circle one)*

0 (None) 1 (1-3) 2 (4-6) 3 (6-10) 4 (more than 10)

**A** – Please select the number of **Activities**, demonstrations, or stationary exhibits at your event. Note: An activity that is repeated several times during the event is considered 1 activity (i.e.: if wheat is threshed twice a day for 3 days, that is considered 1 activity. A sawmill running several times a day is considered 1 activity. A restored antique building open all day is considered 1 activity. A display of a collection of antiques for people to see is considered 1 activity, etc.) *(circle one)*

0 (None) 1 (1-5) 2 (5-10) 3 (10-15) 4 (more than 15)

**M** – Is there a **Market** (exhibitors and/or flea market)? Please indicate the number of vendors. *(circle one)*

0 (None) 1 (1-10) 2 (10-50) 3 (50-100) 4 (more than 100)

Please complete this form and return with your event registration, or complete the registration online.
